From: Chief Executive Officer/Service Unit Director, (Facility to Insert Individual)

Date:

Re: Delegation of Authority

DRAFT

As the Chief Executive Officer/Service Unit Director, I hereby designate _____, effective (insert effective date) as the Service Unit Official with the authority and responsibility to:

- a) Review and accept or deny any patient request for restricting the use of disclosure of his/her health information.
- b) Issue a written notification to the patient regarding the decision under paragraph a) above.
- c) Accept and sign receipt of the Request for Correction/Amendment of Protected Health Information, IHS Form 917.
- d) Coordinate action on the patient's Request for Correction/Amendment of Protected Health Information with the individual(s) necessary for consultation (e.g., medical staff provider, medical records or business office manager) and the SUD/CEO, who is responsible for accepting or denying the patient's request.
- e) Sign appropriate correspondence pertaining to Requests for Correction/Amendment of Protected Health Information
- f) Ensure that the Request for Correction/Amendment of Protected Health Information form, any correspondence pertaining to the request, and the acceptance or denial are properly filed in the patient's health record.

DRAFT
